

INDUSTRY RECOGNITION for the Isolite Dryfield Illuminator: Isolite Systems is committed to transcending the limitations of existing dental technology with innovative, ergonomically efficient products that help dental professionals work more productively with less stress and fatigue. Its flagship product, the Isolite dryfield illuminator, was introduced in 2002 and has been getting noticed ever since. Dentists, dental assistants and hygienists at dental practices and clinics throughout North America are making their practices more profitable using the Isolite dryfield illuminator while improving patient comfort and safety.

Following is a listing of industry recognition that the product has received:

- Dentaltown Magazine "Townie Choice Award" winner (2005, 2006, 2007, 2008, 2009, 2010, 2011, 2012)
